All procedures listed other than those indicated as "Not Covered" are pediatric essential health benefit services and apply to the out of pocket maximum. The family out of pocket maximum applies to two or more pediatric children per plan.

Pediatric coverage is through the end of the 18th year, (up to age 19).

Administration of this plan design must comply with requirements of the pediatric dental EHB benchmark plan, including coverage of services in circumstances of medical necessity as defined in the Early Period Screening, Diagnosis and Treatment (EPSDT) benefit.

Services must be performed by your selected Dental Health Services participating dentist. Please contact your Member Services Specialist at 855-495-0905 if you need assistance in choosing a dentist.

All referrals for specialist services must be requested by your participating dentist and pre-authorized by Dental Health Services.

Please call your Dental Health Services Member Service Specialist at 855-495-0905 for a referral to a conveniently located participating orthodontist. Orthodontic models, x-rays, photographs and records are not covered. There may be additional copayments depending on treatment needs.

General Policies

The following services are not covered by your dental plan:

- A. Services not consistent with professionally recognized standards of practice.
- B. Cosmetic services such as tooth whitening and veneers, for appearance only, unless specifically listed.
- C. Treatment for malignancies, as well as hereditary, congenital and/or developmental malformations.
- D. Dispensing of drugs not normally supplied in a dental office.
- E. Hospitalization charges, dental procedures or services rendered while patient is hospitalized.
- F. Dental procedures that cannot be performed in the dental office due to the general health and/or physical limitations of the member.
- G. Expenses incurred for dental procedures initiated prior to member's eligibility with Dental Health Services, or after termination of eligibility.
- H. Services that are reimbursed by a third party (such as the medical portion of an insurance/health plan or any other third party indemnification).
- I. Procedures performed by a prosthodontist.
- J. Changes in treatment necessitated by an accident of any kind.
- K. Coordinator of benefits with another prepaid managed care dental plan.
- L. Cost sharing payments made by each individual child for in-network covered services accrue to the child's out of pocket maximum. Once the child's individual out of pocket maximum has been reached, the plan pays all costs for covered services for that child.
- M. In a plan with two or more children, cost sharing payments made by each individual child for in-network services contribute to the family out of pocket maximum.
- N. In a plan with two or more children, cost sharing payments made by each individual child for out-of-network covered services do not accumulate to the family out of pocket maximum.

The following are subject to additional charges and/or limitations:

- A. Treatment of dental emergencies is limited to treatment that will alleviate acute symptoms and does not cover definitive restorative treatment including, but not limited to root canal treatment and crowns.
- B. Optional services: when the patient select a plan of treatment that is considered optional or unnecessary by the attending dentist, the additional cost is the responsibility of the patient.
- C. Specialty referrals must be pre-approved by Dental Health Services for any treatment deemed necessary by the treating participating dentist.
- D. Pre-authorization is required for all specialty services.
- E. Orthodontia and implant services for adults are not covered.

- F. Services performed by out of network dentists are not covered unless pre-approved by Dental Health Services.
