## Exclusions & Limitations of Coverage

#### CA Super SmartSmile Plan

#### **Orthodontic Exclusions**

The following services are not covered by your dental plan:

- A. Retreatment of orthodontic cases.
- B. Treatment of a case in progress at inception of eligibility.
- C. Surgical procedures (including extraction of teeth) incidental orthodontic treatment.
- Surgical procedures related to cleft palate, micrognathia or macrognathia.
- E. Treatment related to temporomandibular joint (TMJ) disturbances and/or hormonal imbalances.
- F. Any dental procedure considered within the field of general dentistry including but not limited to: myofunctional therapy; general anesthetics, including intravenous and inhalation sedation dental services of any nature performed in a hospital.
- G. Cephalometric x-rays, dental x-rays.
- H. Tracings and photographs.
- I. Study models.
- J. Replacement of lost or broken appliances.
- K. Changes in treatment necessitated by an accident of any kind.
- Services which are compensable under worker's compensation or employer liability laws.
- M. Malocclusions so severe or mutilated they are not amenable to ideal orthodontic therapy.

#### **Orthodontic Limitations**

The following are subject to additional charges:

- A. Full banded treatments are based on a 24-month standard treatment plan. Additional treatment, or treatment that extends beyond that time may be subject to additional charges.
- B. If the contract between the group and Dental Health Services is terminated, service is subject to a pro-rated fee based on current market value for the balance of orthodontic treatment. If the member should terminate group coverage, they are no longer eligible for the group orthodontic rate.
- C. Should the contract between Dental Health Services and the orthodontist terminate, any Dental Health Services members in treatment would not be subject to proration.

#### **Dental Exclusions**

The following services are not covered by your dental plan:

- A. Services that are not consistent with professionally recognized standards of practice.
- B. Cosmetic services, for appearance only, unless specifically listed.
- C. Myofunctional therapy-procedures for training, treating or developing muscles in and around the jaw or mouth including T.M.J. and related diseases, except for occlusal guard.
- D. Treatment for malignancies, neoplasms (tumors) and cysts as well as hereditary, congenital and/or developmental malformations.
- E. Dispensing of drugs not normally supplied in a dental office.
- F. Hospitalization charges, dental procedures or services rendered while patient is hospitalized.
- G. Procedures, appliances or restorations that are necessary for:
  - 1. full mouth rehabilitation,
  - 2. to increase arch vertical dimension

- crowns or bridgework requiring more than 10 crowns/ pontics.
- H. Replacement or stabilization of tooth structure lost through attrition, abrasion or erosion.
- I. Procedures performed by a prosthodontist.
- J. Fixed bridges when:
  - 1. a patient is under the age of sixteen
  - 2. edentulous spaces are bilateral in the same arch
  - 3. replacing more than four teeth in an arch
  - 4. replacing missing third molars
  - 5. prognosis is poor.
- K. General anesthesia, including intravenous and inhalation sedation.
- L. Dental procedures that cannot be performed in the dental office due to the general health and/or physical limitations of the member.
- M. Expenses incurred for dental procedures initiated prior to member's eligibility with Dental Health Services, or after termination of eligibility.
- N. Services that are reimbursed by a third party (such as the medical portion of an insurance/health plan or any other third party indemnification).
- Extractions of non-pathologic, asymptomatic teeth, including extractions and/or surgical procedures for orthodontic reasons.
- P. Setting of a fracture or dislocation, surgical procedures related to cleft palate, micrognathia or macrognathia, and surgical grafting procedures.
- Coordination of benefits with another prepaid managed care dental plan.
- R. Orthodontic treatment of a case in progress and/or retreatment of ortho cases.
- S. Cephalometric x-rays, tracings, photographs and orthodontic study models.
- T. Replacement of lost or broken orthodontic appliances.
- U. Changes in orthodontic treatment necessitated by an accident of any kind.
- V. Malocclusions so severe or mutilated which are not amenable to ideal orthodontic therapy.
- W. Services not specifically listed on the Schedule of Covered Services and Copayments.

#### **Dental Limitations**

Restrictions on benefits are applied to the following services:

- A. Treatment of dental emergencies is limited to treatment that will alleviate acute symptoms and does not cover definitive restorative treatment including, but not limited to root canal treatment and crowns.
- B. Optional services: when the patient selects a plan of treatment that is considered optional or unnecessary by the attending dentist, the additional cost is the responsibility of the patient.
- C. Routine teeth cleaning (prophylaxis) is limited to once every six months; additional cleanings beyond the 6 months are available at a higher copayment.
- D. Periodontal maintenance (D4910) has a shared frequency with prophylaxis (D1110 or D1120) cleanings of 1 in 6 months.

- E. Full mouth x-rays (D0210) are limited to one set every three years if needed and have a shared frequency limitation with a panoramic film (D0330). Panoramic films may be covered regardless of full mouth x-ray history when wisdom teeth extractions are approved.
- F. Caries risk assessments (D0601-D0603) are covered for members 18 years of age and younger.
  - 1. D0601 & D0602 are covered once every 6 months.
  - 2. D0603 is covered once every 3 months.
- G. Specialty referrals must be pre-approved by Dental Health Services for any treatment deemed necessary by the treating participating dentist.
- H. Pre-authorization is required for all specialty services, with the exception of orthodontics.
- Periodontal surgical procedures are limited to four quadrants every two years.
- J. Scaling and root planing (deep cleaning) is limited to 4 quadrants every 6 months, and 2 quadrants per visit.
- K. Replacement will be made of any existing appliance (denture, etc.) only if it is unsatisfactory and cannot be made satisfactory. Prosthetic appliances will be replaced only after five years have elapsed from the time of initial delivery. Lost or stolen removable appliances are not covered.
- L. Relines are limited to once per twelve months, per appliance.
- M. Single unit inlays and crowns are a benefit as provided above only when the teeth cannot be adequately restored with other restorative materials.
- N. The maximum benefit for specialty care is \$1,000 per year, per member.

Enrollees should refer to the Group Service Agreement for further information on benefit exclusions and limitations.

#### Health Plan Benefits and Coverage Matrix

This matrix is intended to be used to help you compare coverage benefits and is a summary only. The evidence of coverage and plan contract should be consulted for a detailed description of coverage benefits and limitations.

Deductibles: None

<u>Lifetime maximums</u>: The maximum benefit for specialty care is \$1,000 per year, per member. There are no other lifetime maximums.

<u>Professional services - exam & preventive services</u>: No charge for most services. Periodontal maintenance (D4910) has a shared

frequency with prophylaxis (D1110 or D1120) cleanings of 1 in 6 months; additional cleanings beyond the 6 months are available at a higher copayment.

Full mouth x-rays (D0210) are limited to one set every three years if needed and have a shared frequency limitation with a panoramic film (D0330).

<u>Professional services - restorative, crowns, endodontics and oral surgery services</u>: Copayments for fillings, caps, root canals and extractions vary by procedure in the enclosed Schedule of Covered Services and Copayments.

<u>Professional services - periodontic services</u>: Copayments for gum treatments vary by procedure in the enclosed Schedule of Covered Services and Copayments. Surgical procedures are limited to four quads every two years.

<u>Professional services - dentures and partial dentures</u>: Copayments vary by procedure and appear in the enclosed Schedule of Covered Services and Copayments. Replacements of prosthetics are limited to every five years. Relines are limited to one per arch every 12 months.

<u>Professional services - specialty services</u>: Copayments vary by procedure and appear in the enclosed Schedule of Covered Services and Copayments.

Outpatient office visits: No additional charge

Hospitalization services: Not covered

Prescription drug coverage: Not covered

Emergency health services: Not covered

Ambulance services: Not covered

<u>Durable medical equipment</u>: Not covered

Mental health services: Not covered

Chemical dependency services: Not covered

Home health services: Not covered
