Your Quality Assured Participating Dentist Directory

A Great Reason to Smile™
How to Use Your Directory

You will find and easily locate a variety of in-network dentists within this Directory.

The example below will help you understand how to read the Directory.

Your plan features a variety of different types of health care providers for your oral health.

- Dentist – this is a general dentist. Once you select a dental office (see the next page for instructions on how to select a dental office), you can see any of the dentists within that office.
- Orthodontics – these are specialists that focus on Braces. No referral is necessary.
- Denturist – these are individuals that specialize in the fabrication of dentures. No referral is necessary. Visiting a Denturist can often reduce your copayment for dentures and denture services.
- Periodontics, Endodontics, Pediatric Dentistry and Oral & Maxillofacial Surgery – these are specialties requiring a referral for plans that include specialty coverage (see your Schedule of Covered Services and Copayments). Please consult your General Dentist to determine if a referral is necessary.
Selecting your dentist prior to receiving care

You have the choice. Select any of the conveniently located dental offices listed in this directory. In order to finalize your selection, you will need to provide the Dental Office number to Dental Health Services. To make your initial selection or change dentists contact a Member Service Specialist at 800-637-6453, or online through www.dentalhealthservices.com. The selection of the dental office must be made prior to receiving care.

All dental care is received from the general dentist you select, except in the case of an out-of-area emergency. You may receive care from any of the Orthodontists or Denturists listed in the directory without a referral. For plans that include specialty coverage (see your Schedule of Covered Services and Copayments), you can receive the service of Endodontists, Periodontists, Oral Surgeons, and Pedodontists with a referral which can be obtained from your general dentist.

Important: Can you read this? If not, we can have somebody help you read it. You may also be able to get this information written in your language. For free help, please call right away at 1-866-756-4259. Dental Health Services has a toll-free TTY line 1-888-645-1257 for the hearing and speech impaired.

Dental Health Services is available at 800-637-6453 to answer your questions.
Do you have a dentist to refer?

We are always looking for qualified dentists in your area. Please contact your Member Services Department at 800-637-6453 and they take your referral.

To access care, please take the following steps:

Step 1: Notify Dental Health Services of any dental office that you would like to see by calling your Member Service Specialist @800-637-6453. They will assist you;

Step 2: Your Member Services Specialist will coordinate with the out of network dental office to arrange your coverage;

Step 3: Schedule an appointment with your selected dentist when you need services;

Step 4: Your dentist will submit a referral to Dental Health Services for recommended treatment.

That’s it! It’s that simple.
