Your Quality Assured Participating Dentist Directory

Washington

A Great Reason to Smilesm

Selecting your dentist prior to care

You are required to choose any of the conveniently located dental offices listed in this directory and notify Dental Health Services of your selection. All dental care is received from the general dentist you select, except in the case of an out-of-area emergency. You may receive care from any of the Orthodontists or Denturists listed in the directory without a referral. For plans that include specialty coverage (see your schedule of benefits), the services of Endodontists, Periodontists, Oral Surgeons, and Pedodontist require a referral which can be obtained from your general dentist.

You can change dentists simply by contacting your Member Service Specialist at 800-637-6453, or online through www.dentalhealthservices.com.
