Comprehensive Coverage

Enjoy coverage immediately upon eligibility with covered services, including exams, cleanings, fillings, crowns, implants, periodontal treatment, root canals, and dentures.

Simple Copayments

Copayments are easy to understand. You pay the listed copayment on your Schedule of Covered Services and Copayments for any treatment you receive.

Choose Your Plan

Both SmartSmilesm and Super SmartSmilesm are designed to deliver excellent value. SmartSmile features a lower monthly premium, while Super SmartSmilesm saves you even more on preventive and basic procedures.

Affordable Premiums

You can get comprehensive dental coverage for the same cost as two movie tickets.

About Dental Health Services
