

The Dental Health Services *Difference*SM

Experience the *Difference!*

For over 30 years, Dental Health Services has been providing superb service and plan designs meeting your, and your clients', needs. **We invite you to experience the *difference*.**

- ◆ Dental Health Services is a unique, local, **employee-owned** company...our employee-owners truly have a vested interest in providing outstanding dental benefit solutions for your clients...and standing behind what we sell.
- ◆ **We're small enough to know you, and large enough to handle all of your clients' dental benefit needs.**

Our commitment to you:

- ◆ Providing **outstanding service** frequently referred to as "above and beyond"...**we simply call it "doing our job!"**
- ◆ Your dedicated Account Executives and **Group Service Specialists** working together to deliver **seamless, personal service** for you and your clients.
- ◆ Regular, **personal, on-site visits** to ensure both employees and employers are completely aware of and satisfied with their dental benefits.
- ◆ Access to our **unique educational resources**, such as Question and Answer sessions, "The Doctor Is InSM" and "ToothTipsSM" that answer common, and not so common, dental and oral health questions...so you don't have to.
- ◆ Member Service Specialists at **800.63.SMILE** and **www.dentalhealthservices.com** to promptly, personally and happily respond to member requests, concerns, and questions.

Dental Health Services' dental plans feature:

- ◆ A network of **exclusively selected dentists** who've passed our strict Quality Assurance guidelines.
- ◆ **Customized plan designs**, multi-year rate guarantees, and voluntary options meet your clients' unique needs and requests.
- ◆ **Standard plan benefits include many procedures** considered to be upgrades or elective procedures and excluded from other traditional programs.
